- We meet both customers and colleagues with a positive attitude.
- We are open to new ideas and respect different perspectives.

Junget Values:

**We work
professionally**

*“Keeping our promises is
the key to good service”*

In other words:

- We keep things in order and act professionally.
- We are competent and commercially minded.
- We are committed to delivering quality.
- We take responsibility for our work.

Junget Values:

**We care for
each other**

*“Strong team spirit supports both
our customers and each other”*

In other words:

- We value a good working atmosphere.
- We build on trust, equality and respect.
- We think responsible and long-term.
- We have a service-minded attitude.

A Junget to be proud of

When we live by our values, we create a better everyday working life for ourselves and a better experience for our customers.

Our goal is to create value and be the most value-creating partner in the industry. Let's achieve this together – and create a Junget we can be proud of.
